5 – Burial Space Exclusion (BSE)

EPM 2.3.3.2.7.11.1

Hints:

- For items that serve the same purpose, only one item is excluded per person.
- The burial space items are excluded assets if:
  a. the contract is irrevocable,
  b. the burial space items are held for the person, and
  c. the contract itemizes the burial spaces and their value.
- If the contract is revocable, the burial space exclusion does not apply. However, the value of the contract, up to $1,500, may be excluded under the burial fund exclusion. (See Flow Chart #6).

Eligibility Notes (EN):

1. If there is an Installment Contract or similar device, until the purchase price is paid in full, it is not "held for" if:
-the person does not own the space,
-the person does not have the right to use the space, and
-the seller is not currently obligated to provide the space.
Until all payments are made on the contract, the amount paid may be excluded under the $1,500 BFE.

2. The BSE is in addition to, and has no effect on the BFE.
